

# Laptop Requirement

**MBA**

All Students in the MBA program are required to bring a laptop to class that meets the specifications by the Walton College of Business Technology Center staff.

## ***Minimum Requirements***

- Windows XP with Service Pack 2 or Windows Vista Business edition
  - Anti-Virus software (the University of Arkansas provides Symantec Anti-Virus free of charge to all UA students)
  - Wireless Network Card (NIC) 802.11 b/g
  - 80GB hard drive minimum
  - At least 1 (one) Gigabyte RAM if using Windows XP. At least 2 (two) GB RAM if using Vista.
  - Microsoft Office Suite Professional (Office 2003 or Office 2007)
1. Purchase a laptop computer through the University of Arkansas computer store that meets the minimum requirements. <http://www.uarkcomstore.com/>. Various models will be available at different price levels. These are educational prices and represent a discount versus retail or list price.
  2. Purchase a laptop computer on your own through the manufacturer of your choice, making certain it meets the minimum requirements.

If you need to purchase a laptop, you have two options:

---
